BROWNIES DEFEAT ELKS

Fulton Club Wins in One of Most Exciting Games of Season.

Four hundred royal rosters wandered out to Broad-Street Park yesterday, in spite of the intense heat, and saw a pretty game of ball. The contest was between the two strongest teams of the city—the heavy Elks and the famous Fulton Brownies. The latter won by the score of five to three. Just before the Brownies, with their manager, George Saeed, were photographed by Cook after the exciting contest, they, with several friends, partook of light refreshments as guests of an ex-manager, and the players were presented with souvenirs of the occasion.

The game was full of ginger, and there were a number of brilliant plays, especially on the part of the Brownies.

Gathered From the Passing Throng

Messrs. Roland E. Chase, of Dickenson, and W. E. Burns, of Russell, two of the most successful lawyers in Southwest Virginia, who have been in the city for several days looking after legal business, left for their homes last night. Mr. Chase, who is a prominent Republican, when seen at Murphy's said he rather thought his party would not put up a candidate for Congress against Judge Rhea next fall. In speaking of the new Constitution, Mr. Chase said he heard it discussed very little in his section. Our people, he said, are too busy building railroads and developing their mineral lands to think of anything else.

Mr. C. A. Sydnor, one of the principals of the Danville Military Academy, was among the guests at Murphy's last night. Mr. Sydnor is in Richmond looking after the interests of his school, and he says that the prospects for the coming session are very bright.

POLICE CHANGES MADE AT NORFOLK

The New Mayor Removes All Captains and Sergeants.

THE CHIEF AND HEPPEL STAY

Assistant Secretary of the Navy Darling Will See that the Norfolk Yard Gets a Fair Show of Work—Received With Honors.

(Special Dispatch to The Times.)
NORFOLK, Va., July 5.—Mayor Riddick made a radical change in the police force to-day. Chief W. J. Vellins is retained, but Captain Stevens is discharged with all of the sergeants, Bean, Mayo, Lowery, Twiford and Curles. The force of detectives is changed and Heppel is the only one retained. Michael Prince is put at the head. He is the brother of James Prince, the saloon leader of the Day faction. There are discharges and reinstatements among the patrolmen governed by the alignments of the Day and Trehy factions.

These factions also divide the Council so that the fight will likely continue during the two years of the good government faction's inning. Mayor Riddick announced to-day that Sunday observance laws will be rigidly enforced to-morrow.

WORK FOR THE NORFOLK YARD.
Hon. C. H. Darling, assistant secretary of the navy, inspected the Norfolk navy yard to-day. He was received with naval honors, guns fired and the marine battalion paraded. He said that he is not in favor of the unequal distribution of the work of the navy that has prevailed and that he had ordered sixteen ships to this yard last week for repairs.

The Dolphin, on which Mr. Darling arrived, passed out the Cape to-night to Frenchman's Bay on the New England coast, where he will witness the maneuvers.

Mayor J. G. Riddick called the reporters into his private office this morning to say:

"I wish you would announce for me that all of the laws of the city of Norfolk will be rigidly enforced to-morrow, it being Sunday."

"Do you wish to specify any particular violations that will be noticed?" asked the reporter.

"All violations," said the mayor laconically. No doubt that means that the new administration will begin work at once on the good government plan of closing the saloons and other resorts which are illegally open on Sunday and that the day will be dry.

NEW ORDER OF THINGS

Town Council Restores an Old Office and Advances Pay of Others.

(Special Dispatch to The Times.)

LEXINGTON, Va., July 5.—The Lexington Council elected the following town officers: Treasurer, S. O. Campbell, at a salary of \$24 per annum, an increase of \$6; Attorney, E. M. Pendleton, \$5, increase, \$5; A. E. Larrick, \$10; Assessor, J. W. Lindsey, \$5; Superintendent of Public Works, J. V. Walker, \$5 per month, increase, \$5 per month; Sergeant, J. W. Hazlewood, \$5 per month. One year ago, when the town officers and Council were elected, they announced their platform to be retrenchment and reform. They made several changes in the town officers, among them the dismissal from the police force of J. W. Hazlewood, by failure to re-elect, who had for years been the town policeman. At the election this year he is put back on the force in a promoted position. The pay of three officers is advanced.

Those present at the meeting were Mayor W. F. Pierson, Councilmen C. D. Gold, A. D. Leach, D. Leach, D. M. Peck, E. A. Quisenberry, W. T. Shields and Clerk Larrick.

Aunt Betsy Snider, aged eighty years, died Thursday afternoon at her home near Rockbridge Baths. Several children survive, among them being Mr. F. T. Snider, of Rockbridge Baths.

MORTALLY WOUNDED

A Negro Fires a Shotgun Point Blank into Simon Kiger's Face.

(Special Dispatch to The Times.)
WINSTON-SALEM, N. C., July 5.—Simon Kiger was shot and perhaps mortally wounded late this afternoon by a negro named Jim Hairston. Kiger was coming out of the basement of his home when the negro stepped up with a shotgun and fired the entire load of bird-shot into Kiger's face, hitting him in the face and neck. One eye was shot out.

The negro was only a few steps away from Kiger when he fired. The wounded man fell, but was able to get up for a few minutes. He talked at first, saying he had no trouble with Hairston and he did not know why he shot him. He said he was drinking. He borrowed the gun from another negro. After returning it he skipped.

As soon as Kiger's oldest son heard of the shooting he gathered a double-barreled shotgun and went in search of Hairston, saying, "I will kill him if I can find him." Officers are tonight on the track of the negro. Kiger has been indicted several times for selling liquors without license.

FLAG-RAISING AT ORAPAX

Great Excitement Over the Settlement of the Express Agents' Strike.

(Special Dispatch to The Times.)
IRWIN, Va., July 5.—There were two celebrations of Independence Day that are seldom seen here. The first was a flag raising at "Orapax," where the greater part of the day was passed by shooting of fire-crackers and other noisy weapons. Dr. Connell, the proprietor of "Orapax," gave refreshments to his men, who were all there with their families. Much amusement was caused by their antics during the explosion of fire-crackers. The fire-works that remained, were all discharged at Mr. Taylor's place, where the sympathy of the entire community.

While the express agents' strike is practically over, the offices will not be open for business for a week or so, as it is necessary that the agents be furnished with outfits. Great rejoicing exists along the line, as the news was anxiously awaited by shippers.

Rowing has become quite popular at Irwin, and every few evenings a select few may be seen enjoying themselves on the placid, but muddy, James, while they are watched by the envious eyes of the unfortunates who must stay on dry land. The excursions from Gladstone to Richmond, which have now become

THE TRUCKERS' LUCK

A Delightful Launch Sailing Party Down the James.

(Special Dispatch to The Times.)
WILLIAMSBURG, Va., July 5.—The truckers of James City are about through shipping early Irish potatoes. The crop has been fairly good, and prices have kept up well.

The watermelon crop in the vicinity of Poano will not amount to much this year, owing to the prevalence of the watermelon bug, which played havoc with the young plants.

Mr. Branch, Mr. Martin, who has about 100 acres in melons at Mountcastle, will begin shipments about July 15th. He was not troubled with the melon bug as were the Poano truckers.

A pretty launch party was given this afternoon by Mr. E. W. Warburton in his handsome launch, "Avondale." The party sailed down to
